Administrator Denials for Invoice Deadline Extension Requests dated 5/01/13 and Earlier
CC Docket No. 02-6

Dear Mrs. Dortch:

We are appealing USAC's denial of invoice deadline extension request and subsequent appeal for FRNs 2037171, 2037284 and 2037308 in a letter dated May 1, 2013 having the following explanation:

Our records show that your appeal was postmarked more than 60 days after the date your Administrator's Decision on Invoice Deadline Extension Request Letter was issued, as shown above. Federal Communications (FCC) rules require applicants to postmark appeals within 60 days of the date on the decision letter being appealed. FCC rules do not permit the Universal Service Administrative Company (USAC) to consider your appeal.

In our original request and subsequent appeal we explained to USAC that the applicant received its Funding Commitment Decision Letter (FCDL) for Funding Year 2010 (07/01/2010 - 06/30/2011) on 05/26/2010. Duties within the district were reassigned upon staff member(s) leaving. In the reorganization, E-Rate management responsibilities/duties were lost and Service Provider Election Letters were misplaced or neglected due to lack of training. Subsequently, SPI discount election letters or BEAR forms were not filed.

The applicant complied with all other E-Rate program rules for the funding year and received services.

Granting this deadline extension waiver the serves the public interest.

Granting this deadline extension waiver does not promote waste, fraud or abuse.

Ms. Marlene H. Dortch, Secretary
